Goodwood Revival

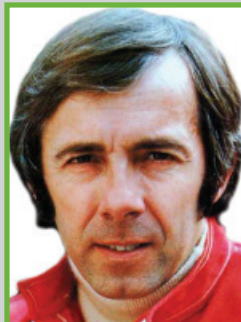

September 6, 2017

Enjoy three full days at the Goodwood Revival, one of the greatest historic motor racing festivals! Since 1998 the Goodwood Revival has attracted thousands of people to see cars that would have competed during Goodwood Circuit's original period - 1948-1966.

Upon arrival at London enjoy a panoramic tour of the city taking in all the main sights including the House of Parliament, Trafalgar Square, Buckingham Palace, Piccadilly Circus, St. Paul's Cathedral and Tower Bridge. Spend a free afternoon and morning in London to explore all it has to offer before departing for Portsmouth.

HOST BILL BRACK

Your tour host is Bill Brack, internationally renowned as one of the foremost Canadian racing drivers. Brack made history in several categories of motorsport including Formula 1 where he remains one of the select few countrymen to compete in the Canadian Grand Prix. His many race victories and championship titles made Brack the first person to be inducted into the Canadian Motorsports Hall of Fame!
